

## REMARKS

The above preliminary amendment is made to introduce amendments made during prosecution of the International Application under Article 34 and published in Form PCT/IPEA/409 and the amended claims are to remove multiple dependencies in claim 12.

An abstract page is supplied and typed on a separate page as required by U.S. practice.

A courtesy copy of the present specification is enclosed herewith. However, the World Intellectual Property Office (WIPO) copy should be relied upon if it is already in the U.S. Patent Office.

Applicants respectfully request that the preliminary amendment described herein be entered into the record prior to calculation of the filing fee and prior to examination and consideration of the above-identified application.

If a telephone conference would be helpful in resolving any issues concerning this communication, please contact Applicants' primary attorney-of record, Douglas P. Mueller (Reg. No. 30,300), at (612) 455.3804.

Respectfully submitted,
